## Projects & Non-profit Engagements

### Listening Sessions | Developer and Producer | Malmö

Feb 2016

- An event series and tribute to the album format
- Convinced a local cinema to show Kanye West's live stream from Madison Square Garden, which coinciding with Listening Sessions # 1 dedicated to his album TLOP. It resulted in a sold-out show in less than a week and started a wave of official shows around the country.
- The challenge with Listening Sessions is to capture album releases of cultural significance to gather around. One goal is to organize Listening Sessions in several places at the same time and share the experiences over time and space.

### So&Such | Non-profit Organization | Malmö

Feb 2017

- Founder and board member
- Supports and inspires local DJs, artists and producers through organizing clubs, events and sharing production tools and tips.
